

Welsh Kidney Patient Network

Are you a Kidney Patient?

Would you like to:

Raise awareness of kidney disease and treatments choices?

Drive change for better outcomes in prevention, treatment and life long support for all affected by kidney disease?

Shape current and new services to help support patients live the best life they can?

Be a trusted voice of people living with kidney disease, families & carers?

If Yes, We're looking for you!!

To find out more, or become involved in the new **Kidney Patient Network** contact : **Jonathan Matthews**

Mobile: 07768266246 or **Email: Jonathan.matthews@wales.nhs.uk**
